

Potential Public Lands Priorities

(These priorities are listed alphabetically and not in order of importance)

- Annual Operating Instructions (BLM using AOIs to unilaterally implement changes within grazing permits)
- Antiquities Act
- AUM Reform
- Coordination and Communication with Federal Agencies
- EAJA Reform
- Endangered Species Act
- Energy Corridors
- Environmental Litigation Reform
- Federal Land Employee Turnover
- Federal Oversight Committee on Federal Land (Creation of an Administrative Rules Committee that provides oversight to associated federal agencies)
- FLPMA Reform
- Invasive Species Reform
- Livestock Water Maintenance (BLM/FS requiring an ownership interest in livestock water before allowing permittee to develop or maintain water rights)
- National Landscape Conservation System Reform
- NEPA Reform
- Pilot Program Grazing Bill
- PILT
- Policing Power and Jurisdiction
- RS 2477
- Sage Grouse
- Transfer of Federal Lands
- Water Claims
- Water Rights
- Wild Horse and Burro
- Wilderness Areas and Wilderness Study Areas

2017 Public Lands Policy Changes
